MSU-CVM Veterinary Medical Technology Program  
Application for Regular Admission to the Sophomore or Junior Year

**Veterinary Medical Technology Degree Information**

The program has two phases:

- The pre-requisite phase consists of the freshman and sophomore years of college. The curriculum consists of the university core curriculum required for a bachelor's degree plus ten hours of specific science courses.
- The technology phase consists of pre-clinical courses during the junior year and clinical rotations during the senior year.

Applicants accepted into the program must maintain a GPA of at least 2.5 with no grade less than a "C" in any prerequisite course.

If the student fails to meet these requirements, the student will lose their admission status. The dismissed student may re-apply through the normal application process to the junior year of the program.
